January 12, 2007

Dear Colleagues,

We are pleased to announce the next workshop in a series entitled “Bringing Theory and Practice Together in Engineering Classrooms.” The event will be held March 2-3, 2007 at Auburn University. Please find the workshop announcement, registration form and LITEE (Laboratory for Innovative Technology and Engineering Education) brochure enclosed. We would appreciate it if you would circulate this information among your colleagues and to those who may be interested in attending the workshop or learning more about using LITEE educational materials.

Early registrants may be eligible for free sleeping room accommodations at the Auburn University Hotel for one night on a first-come first-served basis up to a maximum of 10 registrants.

Feel free to contact Dr. P.K. Raju at 334-844-3301 or pkraju@eng.auburn.edu and/or Dr. Chetan Sankar at 334-844-6504 or sankar@business.auburn.edu if you have any further questions about the workshop or materials. For registration information, please contact Jan Drummond at 334-844-3360 or drummje@eng.auburn.edu.

Sincerely,

P.K. Raju
Thomas Walter Professor and
Director, LITEE
